Events	<p>50m and 200m events for all strokes, plus 200m and 400m Individual Medley.</p> <p>Entries will be accepted on a time basis, however please note this is a club competition and entries from composite teams will not be accepted. Where possible the accepted entries for each age group will be equal but if an age group is under-subscribed then the organising committee reserves the right to include additional entries from other age groups.</p> <p>The meet is a SC meet and thus SC times are given the priority. GASC is happy to accept LC converted times, but please be aware that if an event or the meet becomes oversubscribed then GASC reserve the right to reject the converted time(s).</p> <p>In the event that the meet is over-subscribed and cuts have to be made in order to meet the conditions of the license, swimmers will be accepted on a fastest first basis across the events and age groups in so far as this is practical.</p> <p>If the meet is oversubscribed and cuts have to be made in order to meet the capacity of the building, swimmers with the fewest swims in a session will be rejected first, regardless of where they lie in the seeding. If cuts need to be made for both reasons a combination of the two methods will be used. In the event the meet is under subscribed late entries will be accepted on a case by case basis.</p> <p>All entries will be heat declared winners. The programme of events is attached.</p> <p>Garioch ASC reserves the right to include its own swimmers, from eligible swimmers in attendance, in slower heats to fill unused lanes.</p>
