

EXCERPT FROM ND EXECUTIVE MINUTES OF 27/4/20

Scottish Swimming has advised that no swim meets will take place before the 1st September 2020. Any licences issued for meets before that date will be refunded. Licences already issued for meets between September and December will be reviewed at a later date and may be subject to change. No further licences will be issued until further notice and will be at the discretion of the swimming committee. As I am sure you will be aware future events will be dependent on guidance from the Scottish Government and Scottish Swimming.
