

STO Report April 2015

Hi sorry I cant be there today but , if you have any questions ,you can email me and I will try to answer as quickly as I can.

I am pleased this year so far has been busy with a lot of courses taken place.

I am in the process of trying to arrange Timekeeper Course and AOE training on the Western Isles,

I would Like to congratulate Sean Dawson on Passing his Referees assessment and joining the ND list of Referee,s ,

Allan Gariock from Orkney will be carrying out his Referees final assessment in May (best of Luck)

Galas have already started and I would like to remind all STOs that they should always wear white(**including foot wear**) and show their STO badge & licence (Orange timekeeper badge) when on poolside. Furthermore **shorts** are not recognised poolside wear.

STO Training

Referee

There are 2 candidates carrying out there training this year,There poolside training is arranged through there Course leader,s (Kevin Paterson/Brian Hendry)and they will be attending meets over the next 8 months.

Recorder

There will be 5 candidates sitting there exam on the 9th May 2015

Timekeepers should now fill in the ND record of timekeeping form that comprises of 4 TK and 1 CTK signature's to qualify to sit recorders exam

Judge 2S

Currently we have 9Judge 2s working through their training,

Can I ask any Judge 2, that is keen on progressing to Judge 2S to get your Forms & fee to the ND STO Convenor.

1 having passed their final assessment

Judge 2

6 candidates applied for training so far this year

Can I ask any Judge1 thinking about progressing on to Judge 2 to get your Forms & fee to the ND STO Convenor.

6 Passed their assessments
2 waiting to be assessed

Judge 1

- 18 candidates applied for training so far this year .
- There was a courses run in Aberdeen on the 17th &19th February 2015
- There was a course run at Fraserburgh on the 26th February 2015
- Kath Cartwright runs workshops in Thurso area
- Ian Gibson runs workshops in Orkney.
- All application forms to be sent to ND STO Convenor,who will inform the appropriate area organiser
- Completing the training takes time and it is important to keep up the momentum so that we do not run short of Judges
- When submitting officials for galas clubs **must** indicate the status/stage of the nominees. Can all clubs remind their trainee's to take there forms and hand them to the Referee when checking in at least 30 mins before the start of the gala or they will not get there training session.
- It is essential that candidates know that it may not be possible for them to gain signatures at every session they attend. If you are unable to attend a gala that you have requested a mentor session,or have finished your signatures Can I ask you to inform the club that has organized the gala, this will make it much easier for the Referee on the day,
- **Trainees should make sure that they have completed their Timekeeping & Chief Timekeepers signatures before applying for mentor sessions.**
- 13 Candidates passed their final assessments with 8 waiting to be assessed
