

Selection of Swimmers for Geneva International Meet – 20-22 January 2017

SASA North District is offering the opportunity to compete at an international meet for up to 12 North District swimmers. The purpose of this opportunity is to broaden the range of North District swimmers gaining experience as a part of a representative team rather than to provide more experience to swimmers who are already getting it. *This objective will be applied at every step of the selection process.

Selections will be carried out by the North District Swimming Committee.

Swimmers will be selected from a single performance at any one of the following meets –

- North District Age Group Championships 2016
- Scottish National Age Group Championships 2016
- British Championships 2016
- Scottish Open 2016
- Scottish Summer Meet 2016
- British Summer Championships 2016

Selections will be based on the quality of the best single individual swim as measured by FINA points.

5 male swimmers and 5 female swimmers shall be selected as follows –

- 1 born early 2001 (up until 30 June)
- 2 born 2000
- 2 born 1999

The remaining 2 swimmers shall be selected by picking the 2 other swimmers from across the year of birth range 1998 to early 2001 that score the highest FINA points regardless of age or gender. In the event of a tie at any stage, the swimmer's second best swim will be used to decide.

Only swimmers whose first claim club is affiliated to the North District at the time of swimming their qualifying swim will be considered for selection. When the selections take place, swimmers must still be doing the majority of their training in the North District.

Final decisions about selection will be made in consultation with Scottish Swimming, once Scottish Squad selections have been finalised and squad meets have been decided. This is to ensure that we are fulfilling our objective.

Coaches of swimmers, where known, will be notified of a swimmer's selection before the swimmer receives their invitation.

SASA North District does not guarantee that 12 swimmers will be selected nor that 12 will go.

Swimmer contribution will be set once the duration of the trip has been determined and will be set at £20 per full or part day.

Information about selection of staff will follow later and will be as decided by North District Swimming Committee.
