#### J Y Coutts Memorial Award

The J Y Coutts Memorial Award shall be awarded to the persons who have given outstanding service to the SASA North District

Jock Coutts was a member of Bon Accord ASC. He was secretary of the SASA for approximately 35 years and is credited with introducing age group swimming into competition. He was also the person who kept the SASA going over the war years when there were no young men available to take his place. This award was introduced the year that Don Hawthorn was SASA President and Leslie Turberville was the first recipient of the award at National level. Soon after this was done, a similar award was introduced in the North District.
